Resources and Benefits for Caregivers

The series of Caregiver Broadcast is presented by the U.S. Department of Health and Human Services (DHHS) New Freedom Initiative (NFI) Subcommittee on Caregiving. The Committee was established to work across DHHS and includes representation from all agencies within the Department as well as other Federal partners.

The resources contained in this document are drawn from numerous sources by NFI Subcommittee on Caregiving members, speakers and other stakeholders. This Resource List is not intended to be exhaustive or all-inclusive. CMS does not endorse specific products or services of non-federal institutions.

New Freedom Initiative Subcommittee on Caregiving
www.hhs.gov/od/about/fact_sheets/fs4_caregiving.html
This web page, housed on the HHS Office of Disability website, contains background information on the New Freedom Initiative Subcommittee on Caregiving.

Ask Medicare
www.medicare.gov/caregivers/
The Centers for Medicare and Medicaid Services (also known as CMS) has launched an initiative to begin a conversation with people who provide care for a loved one, friend or neighbor. The Ask Medicare initiative provides information, tools and materials to assist the caregiver and their loved ones in making informed healthcare decisions. On the website you can also sign up for an e-newsletter for caregivers which is emailed bi-monthly to individuals who sign up. The newsletter provides information on important dates such as open enrollment, changes in the program, etc.

If the loved one you care for is in need of services:
Administration on Aging
www.aoa.gov/
The mission of the Administration on Aging is to assist elderly individuals maintain their independence and dignity in their homes and communities through comprehensive, coordinated, and cost effective systems of home and community-based long-term care across the U.S. AoA works in close collaboration with the Aging Network of states, Area Agencies on Aging, and local community service provider agencies- the most visible, trusted community resources for information access and services.
Eldercare Locator
www.eldercare.gov/
The Eldercare Locator is a public service of the U.S. Administration on Aging and is the first step to finding resources for older adults in any U.S. community. The service links those who need assistance with state and local area agencies on aging and community-based organizations that serve older adults and their caregivers.

Extra Help Program
www.ssa.gov/legislation/medi-mailing.html
The Social Security Administration launched a new strategy to inform relatives and caregivers of low-income Medicare beneficiaries about the “extra help” available to assist them with the cost of the Prescription Drug Program.

Home and Community Based Waivers
www.cms.hhs.gov/MedicaidStWaivProgDemoPGI/05_HCBSWaivers-Section1915(c).asp
States may offer a variety of services to consumers under an HCBS waiver program and the number of services that can be provided is not limited. These programs may provide a combination of both traditional medical services (i.e. dental services, skilled nursing services) as well as non-medical services (i.e. respite, case management, environmental modifications). Family members and friends may be providers of waiver services if they meet the specified provider qualifications. However, in general spouses and parents of minor children cannot be paid providers of waiver services.

Meals on Wheels
www.mowaa.org/Page.aspx?pid=183
The Meals On Wheels Association of America (MOWAA) is the oldest and largest organization in the United States representing those who provide meal services to people in need. MOWAA works toward the social, physical, nutritional, and economic betterment of vulnerable Americans. The Meals On Wheels Association of America provides the tools and information its programs need to make a difference in the lives of others.

Medicaid
www.cms.hhs.gov/MedicaidGenInfo/
Good health is important to everyone. If you can’t afford to pay for medical care right now, Medicaid can make it possible for you to get the care that you need so that you can get healthy – and stay healthy.

Money Follows the Person
www.cms.hhs.gov/DeficitReductionAct/20_MFP.asp#TopOfPage
Enacted by the Deficit Reduction Act of 2005, the Money Follows the Person (MFP) Rebalancing Demonstration is part of a comprehensive, coordinated strategy to assist States, in collaboration with stakeholders, to make widespread changes to their long-term care support systems. With the history and strength of the Real Choice Systems Change (RCSC) grants as a foundation, this initiative will assist States in their efforts to reduce their reliance on institutional care, while developing community-based long-term care opportunities, enabling the elderly and people with disabilities to fully participate in their communities.
State Health Insurance Assistance Program (SHIP)
www.shiptalk.org
The State Health Insurance Assistance Program, or SHIP, is a national program available in every state that offers free one-on-one counseling and assistance (over the telephone or in-person) to people with Medicare and their caregivers.

If you need support as a caregiver:
Caring for Caregivers
This website contains information and resources to help care for caregivers who may be experiencing physical illness, depression, grief, and other changes.

Handbook for Long-Distance Caregivers: An Essential Guide for Families and Friends Caring for Ill or Elderly Loved Ones
www.caregiver.org/caregiver/jsp/content/pdfs/op_2003_long_distance_handbook.pdf
This booklet offers a roadmap for those new to the challenges of caring from afar for ill or elderly loved ones. It includes information on: how to assess your care situation; develop a care team; hold a family meeting; access community organizations and private agencies; and balance work and caregiving.

The Alabama REACH Demonstration Project - Caregiver Notebook
www.cmha.ua.edu/CaregiverNotebook.pdf
The state of Alabama received a grant from the Alzheimer's Disease Demonstration Grants to States program at the U.S. Administration on Aging to implement a 3-year program to improve direct services available to family caregivers by applying the Resources for Enhancing Alzheimer’s Caregiver Health (REACH) program. REACH is an evidence-based program funded by the National Institute on Aging, which includes in-home social and behavioral interventions that promote skill building. The Caregiver Notebook was a resource given to caregivers participating in the demonstration project.

The National Alliance for Caregiving
www.caregiving.org/
The National Alliance for Caregiving is dedicated to providing support to family caregivers and the professionals who help them and to increasing public awareness of issues facing family caregivers.

Caring From a Distance
www.cfad.org/
Caring From a Distance is a nonprofit organization created by men and women who personally struggled with the anguish, stress, and frustration of long distance care. Our strength lies in this shared experience and in bringing together our diverse backgrounds to help Caring From a Distance service and help unite the distance-care community.
